Dear Jean:

The meeting on EEG and Psychopharmacology in Munich was not well organized, for a variety of reasons. We are planning, therefore, to get together informally and discuss our common interests. Please enquire at the registration desk at the CINP, or I will write as soon as I have the details of the meeting.

We do not plan to present papers, but to discuss:

- (1) International EEG programs
- (2) A special meeting 1963
- (3) A special meeting with CINP 1964
- (4) Your Journal suggestion

My best regards, and I look forward to seeing you on September 3. I am staying at the Hotel Regina Palace if you wish to reach me.

Sincerely yours,

MF:gp
