Dear Joe:

I should be pleased to recommend you for membership in the C.I.N.P. However, it is unlikely that further members for C.I.N.P. will be subsequently selected, except for those who hold membership in the local - national society, where such a society exists. I have just looked through the ACNP Roster and do not find your name.

I would, therefore, recommend that you consider joining this organization first. I would be pleased to recommend you for this group. If you wish for me to do so, please send me a copy of your curriculum vitae.

Sincerely yours,

Max Fink, M. D.
Director
