V. S. Pillutla, M.B.B.S.
Senior Registrar Psychiatry
Morgannwg Hospital
Bridgend. Glamorgan
England

Dear Dr. Pillutla:

We have reviewed your credentials and find them most satisfactory for participation in the program of this Institute. However, the successful completion of the E.C.F.M.G. examination is a necessary prerequisite to an appointment. I know of no legal way of circumventing the regulation and will encourage you to complete that examination satisfactorily. Upon receipt of notification that this requirement has been met, I will be pleased to present your curriculum vita and credentials to the Director of the Division for his consideration for appointment at that time.

Good luck in your examination.

Sincerely yours,

Max Fink, M. D.
Director
