Mr. Robert Shearman  
IBM Corporation  
411 Montague  
Brooklyn, New York

Dear Bob,

I have just received and read the IBM Computing Report for the Scientist and Engineer, Volume 3, Number 6. This was very interesting and I note that earlier issues are available through your office. Is it possible to receive copies of Volume 3, Nos. 1, 3 and 5?

Many thanks!

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
