Dear Dr. Gibbons:

Dr. Ulett and I both look forward to having you visit with us on November 5th, since the subject of your research is of great interest to the members of the Department of Psychiatry at Washington University, I have taken the liberty of arranging for you to present your work to a joint meeting of that department and the Missouri Institute of Psychiatry on Thursday, November 5th.

If you will let me know the flight and the time of arrival in St. Louis, I will make the necessary arrangements here. In addition, assuming that you will need accommodations, I have booked you a room at the Bel-Aire Motel, 4630 Lindell Blvd., which is most convenient to both institutions.

Looking forward to your visit.

Sincerely yours,

Max Fink, M.D.
Director
