Missouri Institute of Psychiatry
5400 Arsenal Street
St. Louis, Missouri 63139

Dear Turan,

Enclosed is the galley proof for Comprehensive Psychiatry.
I have read the text and found very few errors.

For reprints, please order 100 with covers for me. I
would suggest you call Dr. Tabor and order as many as he
wishes, in addition to those for Ali and yourself.

Under authors identification, Kathy has typed in my own.
Add yours and Ali's.

Again, my best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
