Dear Charlie,

Al has just announced that you will be lecturing on June 6. I am very disappointed that I will not be here as I will be attending the ECDEU investigator meetings in Washington.

Two Czechs have joined my staff and I would be pleased for you to get to know them. Dr. Jiri Roubicek and Dr. Jan Volavka both know your work and if you have the time, they would be pleased to take you to lunch.

I am enclosing a copy of a report that we have just completed on pentothal. If you have a chance to read this before your visit, perhaps you would care to discuss your suggestions with Dr. Feldstein.

I am terribly sorry, but hope that we will get to see each other soon. My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
