Dr. Jean Hensel  
The Ohio State University  
College of Veterinary Medicine  
1900 Coffey Rd.  
Columbus, Ohio 43210

Dear Dr. Hensel:

Our work is exclusively with men and I have no data on dogs or their EEG profiles. The enclosed report will be useful as a description of one method.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
