Dr. Francis J. Braceland
Editor
American Journal of Psychiatry

Dear Dr. Braceland:

Enclosed is a copy of the report "Digital Computer Analysis of the Human EEG in Psychiatric Research" which was read at the APA in Detroit.

If this draft is accepted for publication, we will be pleased to submit a copy with citations and original glossy prints.

Sincerely yours,

Max Fink, M.D.

Dear Mr. Mehling:

Enclosed is a preprint of our report to the annual meeting of the American Psychiatric Association, "Digital Computer Analysis of EEG for Psychopharmacology." It would indeed be helpful if you would check with us before making use of this material, for I believe we can provide you with additional figures, including glossy prints which would make the presentation more satisfactory.

Thank you for your interest.

Sincerely yours,

Max Fink, M.D.
