Dr. Heinz E. Lehmann
Clinical Director
Douglas Hospital
6875 LaSalle Boulevard
Verdun, Quebec

Dear Heinz,

Some weeks ago you were kind enough to send a copy of your report on memory which you gave at the CINP in March to Dr. Alfred M. Freedman. He has referred this report to me, and I have read it with interest. I want to take this opportunity on his behalf and my own, to thank you for sending this to us.

Incidentally, I have left Missouri and am now at the New York Medical College. My new address is:

Department of Psychiatry
New York Medical College
Fifth Avenue at 106th Street
New York, New York 10029

At this Center, I hope that I will be able to re-establish the clinical psychopharmacology programs which I began in New York, and which have grown so well in Missouri.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
