Dr. Doris H. Clouet
Associate Research Scientist
New York State Research Institute
for Neurochemistry & Drug Addiction
Ward's Island, New York 10035

Dear Doris,

Enclosed are the two manuscripts requested for your volume on "Biochemical Pharmacology of Narcotic Analgesic Drugs".

I regret the delay, but considering our dual appearance in your volume, I think we have done reasonably well.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
