Dr. Alain Sanseigne
Associate Clinical Research Director
E. R. Squibb and Sons
Georges Road
New Brunswick, New Jersey 08903

Dear Alain,

Jovan and I have revised the fluphenazine protocol to permit the possible inclusion of the enanthate. If this revision meets your approval, would you please call me?

We already have a number of patients in the clinic and are able to begin the decanoate part of the study as soon as you send us the supplies.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
