Mr. Philip Sapir, Chief
Research Grants Branch
National Institute of Mental Health
State National Bank Building
Bethesda, Maryland 20014

Dear Mr. Sapir:

I have had the opportunity to discuss the reasons for the deferral of grant application MI-11787-01, entitled "Collaborative Clinical Psychotropic Drug Program" with Dr. Cole and would request, at this time, that this application be withdrawn. In the event that this program requires additional Public Health support, a new application will be submitted from this Center.

Thank you for your assistance.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
