

June 13, 1966

Dr. Jerry Levine
Assistant Chief
BPRS - NIMH
Bethesda, Maryland 20014

Dear Jerry,

Enclosed is a summary of our prolonged adverse reactions report which I believe may be of interest to you.

I have discussed your coming visit to New York with Dr. Freedman and he is delighted. I will call you at the end of the month to make a definitive date.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
