Miss Ruth Wishner
California Computer Products, Inc.
305 Muller Avenue
Anaheim, California

Dear Miss Wishner:

I would be pleased to cooperate with you in writing an article concerning the application of the Cal Comp plotter to our research program, and to provide you with some graphic write-outs. I should be available until mid-January and be willing to answer your questions either by phone or in person at your leisure.

Sincerely yours,

Max Fink, M. D.
Director
