

April 7, 1972

Dr. Jonathan O. Cole
Boston State Hospital
Boston, Massachusetts 02124

Dear Jon:

I very much enjoyed the sessions in drug models of schizophrenia at the A.P.P.A. I was stimulated to summarize some of the discussion, and enclose a draft for your consideration for the publication.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
