Mr. Stefan Bogen  
Senior Research Associate  
Department of Medical Investigation  
Hoffmann-La Roche Inc.  
Nutley, New Jersey 07110

Dear Mr. Bogen:

We have already gone through the first supply of Librium since we are using this as the standard in the treatment of anxiety. A copy of the present protocol is enclosed for your information.

Would it be possible to provide us with an additional supply of chlordiazepoxide, active, 25 mg capsules to continue this study?

Many thanks.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
