Dr. David Englehardt  
State University of New York  
Downstate Medical Center  
450 Clarkson Avenue  
Brooklyn 3, New York

Dear Dave:

I should like to plan to visit with you on Tuesday afternoon, December 1st, as we discussed in Washington. If it is still feasible, and planes fly that day, I can be at the Department of Psychiatry offices by 2:00 p.m.

Is this satisfactory?

Sincerely yours,

Max Fink, M.D.  
Director
