Dear Burt:

I was pleased to have an opportunity to chat with you in Washington at the Anxiolytic meetings. I am taking the liberty of enclosing a memorandum describing a fellowship which has just been established in this Department. You indicated that you had applicants seeking jobs.

Should any meet the criteria stated in this description, I would be grateful if you could bring them to my attention. I look forward to visiting with you in Miami later this month.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
