Dear Dr. Levine: RE: MH-13358-03

With reference to MH-13358-03, may we request the reallocation of \$2,000 from "Personnel" to the category of "Outpatient Costs". As we described to you during your recent visit, we are increasing the number of volunteers receiving drugs in our EEG study program. This will increase the allocation for outpatient costs to \$5,000 and reduce personnel to \$132,460.

Thank you for your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
