Dear Joe,

Thank you for referring Dr. Edmund S. Howe to us. I am writing to him because I believe that his curriculum vitae reflects the quality of the kind of staff member that I would be pleased to recommend to Al Freedman.

Incidentally, if you are not a member of the Society for Psychophysiological Research, perhaps you would like to join. They have an active campaign on for membership and your present interests are clearly related.

My best wishes for the New Year.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
