

March 28, 1968

Dr. Daniel X. Freedman
Chairman, Department of Psychiatry
University of Chicago
950 East 59th Street
Chicago, Illinois 60637

Dear Dan,

Sol Goldberg has written asking that I send you copies of the enclosed reports which have recently been completed. These have been sent to Dr. Wittenborne for inclusion in the Proceedings of the ACNP, 1967.

It was a pleasure to participate in the hallucinogen symposium and I hope the reports are published soon.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
