Mr. Fred Reichman
4255a Gaslight Square
St. Louis, Missouri 63108

Dear Mr. Reichman:

Enclosed are the warranty deeds, title insurance and sales contract for my home on 94 Lake Forest. Dr. Buford Don Smith and his wife Eva M. Smith are the buyers. The date of transfer will be on or about June 13; however, closing may be at any time you suggest.

There are five warranty deeds representing the individual releases for each of the heirs of the former owner Raymond Bussmann.

I think the only additional fact that you would need is that there is a mortgage approximating \$10,000 which is held by the Creve Coeur Bank.

I would appreciate your acting on our behalf. If it is possible for you to undertake this assignment acting both for Dr. Smith and myself, we would be pleased. If you believe that it is to our best interest that there be two lawyers, please advise me.

Many thanks.

Sincerely yours,

Max Fink, M.D.
