Dear Leo:

We will be pleased to participate in the cannabis symposium of the CINP in Copenhagen, August 17, 1972. We will provide an abstract on the forms to be provided by Dr. Jacobsen.

We can prepare a print-ready manuscript for Copenhagen, in August within space limitations you may suggest.

As for Drs. Stefanis and Miras, I have sent your questions to them. They should answer you shortly.

For the listing, our presentation should be titled:

"Behavioral and EEG Effects of Marijuana and
THC-Δ-9".
