Dear Dick,

Thank you for your letter of August 8, which I have discussed with the Executive Administrator of the Department of Psychiatry, Mr. Irwin Schwartz. He will make available the funds from our NIMH grant for this study and will require no additional special form than those that are approved by your University.

For this reason, we would prefer that your administration set up a letter which seems necessary to them since our only requirement would be invoices approved by yourself and approved by me. These should involve the usual transferable items of personnel, consumable supplies and consultation.

If you will send the letter you suggest to me, I will have our administrator sign it.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
