Re: Contract HSM-42-70-98

Dear Mr. Gradwell,

Enclosed is a signed DHEW certificate involving human subjects, as requested in your letter of June 22.

In reading this letter which seems to follow a standard form, prior approval for foreign travel must be obtained. It is my understanding that this contract, in justifying foreign travel as essential to the purposes of the project, yields 'prior approval'. I am leaving for Athens on August 4 to negotiate the subcontract, and if this interpretation is incorrect, please advise.

May I also request your secretary to send us blank copies of Form 1034, 'Public Voucher for Purchase and Services other than Personal'?

Thank you for your assistance in negotiating this contract.

Sincerely yours,

Max Fink, M.D.
