

October 30, 1963

Mr. Harold W. Shipton
Research Asst. Professor
and Electronic Engineer
State University of Iowa
College of Medicine
Division of Medical Electronics
Iowa City, Iowa

Dear Harold:

Thank you very much for sending me the schematics of the calibrating circuit for evoked potential studies. I have asked our engineers to build this equipment and I look forward to using it in our studies.

Sincerely yours,

Max Fink, M. D.
