Dear Gloria:

Did you keep a list of the people to whom we sent the bibliography? If you did, then either send the list to me, or, if you have some time, would you send the following note to each one?

"I am pleased to tell you that Elsevier has agreed to publish the bibliography of EEG and Human Psychopharmacology early in 1963. They have asked that I bring it up to date for 1962.

If there are related references which we have omitted, would you please send them to me shortly? Please include any references which may now be in press and which you expect to appear late in 1962, or early in 1963.

Thank you for your cooperation."

I would appreciate if you could do this for me. Thank you very much.

Sincerely yours,

MISSOURI INSTITUTE OF PSYCHIATRY
