Mrs. Marilyn L. Tinsley
Stanford University Medical Center
Stanford, California 94305

Dear Mrs. Tinsley:

We have re-drafted the NRIE reports as the rules require, and submit all, with the suggestion that one be reported whenever the rules allow. The report by Drs. Dornbush and Freedman is from my laboratory and should be included with my franchise.

Many thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
