Dear Allen,

Following your message, I recalled the envelope with the FD forms enclosed, and added the following:

Forms for the lactate study, including,  
68-06-26: Initial evaluation form  
68-06-25: Anxiety scale for infusion  
68-06-27: Taylor Anxiety symptom check list

Article from Archives gen. Psychiatry, by Curry et al.,  
*Factors Affecting Chlorpromazine Plasma Levels in Psychiatric Patients*,  
vol. 22:209-216.

I trust these are useful.

Sincerely yours,

Max Fink, M.D.
