Dr. Arthur W. Tacreiter, M.D.  
Merck Sharp & Dohme  
Division of Merck & Company, Inc;  
West Point, Pennsylvania 19486

Dear Dr. Tacreiter:

Thank you for making additional supplies of  $\ell$ -alpha-acetyl-methadol available for our studies. I am enclosing the appropriate BND 222C form and a xerox of the schedule I permit PF0024555.

I trust our ongoing studies will continue to support the usefulness of this compound.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
