Dear Max:

Please send me two statements for our account - one for me alone and a separate one for Martha and Jonathan.

In my account, include the cost of air transportation for Dr. Ulett and myself to Newcastle; also, please make a suitable arrangement for us to get to Birmingham from London on Sunday, August 30, for arrival late in the afternoon or early evening.

I will be in New York on July 30, and will come to see you.

Sincerely yours,

Max Fink, M.D.  
Director
