Dear Dr. Scigliano:

Enclosed are xerox copies of my letter of March 23, 1970, the record of marijuana used, the progress report of March 1970, and a xerox of the Tax Stamp. In addition, a copy of a letter that I have just written to the District Director of Internal Revenue requesting their certification that the Tax Stamp has indeed been issued by them and is not counterfeit is also enclosed.

In order to accomplish the present range of studies before the summer recess interferes with our subjects, we would like to begin on Monday, April 27, and I would appreciate your earliest attention to our request for 100 Grams of marijuana.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
