

December 26th, 1972

Mr. Kevin Jones,  
Facilities Planning Office,  
Administration 438,  
SUNY, Stony Brook.

Dear Mr. Jones,

On behalf of the Department of Psychiatry and my associates at International Association for Psychiatric Research, I want to thank you for your excellent recommendations, both as to design and as to the contractor, and for your guidance in renovating the EEG and computer facilities in the department at Surge I. I have been through renovations before, and can recall no previous occasion when the planning and renovations went so smoothly and so well.

Please accept the enclosed gift on our behalf.

My very best wishes for a successful 1973.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
