Dr. John F. Monroe  
Associate Medical Director  
The Squibb Institute for Medical Research  
New Brunswick, New Jersey 08903

Dear Dr. Monroe:

The eighteen vials of fluphenazine decanoate (25 mg/cc) arrived safely and we are now putting it to use.

Thank you very much for your cooperation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry

P.S. Perhaps there is some interaction between fluphenazine and the syringes we use. Enclosed is one taken from the shelf.
