Immigration and Naturalization Service  
Washington, D.C.

Gentlemen:

On September 15, 1964 we submitted an application for a preferential visa for Dr. C. M. Rosenberg now of Surrey, England whose birth place was the union of South Africa. We have received a letter from Dr. Rosenberg requesting our withdrawal of this application, insofar as he believes that the delay inherent in such a preferential visa precludes his accepting a position at this research center.

With regret, I hereby request withdrawal of the application for preferential visa for Dr. C. M. Rosenberg.

Sincerely yours,

Max Fink, M.D.  
Director
