Mr. John J. Bellizzi
Director, Bureau of Narcotic Control
855 Central Avenue
Albany, New York 12206

Dear Mr. Bellizzi:

Enclosed is an affidavit regarding the supplies of depressant and stimulatory drugs in my office at 39 Arleigh Road, Great Neck, New York.

In my position at New York Medical College, however, we do have supplies of opiates and marijuana for our experimental purposes. If the regulations require an inventory of these drugs, please indicate the requirements.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
