Mr. Irwin Schwartz
Department of Psychiatry
New York Medical College
5th Avenue at 106th Street
New York, New York 10029

Dear Irv,

Dr. Itil and I have been working on a research program on the treatment of the severe mentally ill. Knowing of your interest in the problems of rehabilitation, we would be pleased to have you participate in this study program and are writing to suggest that you visit us during your forthcoming Western trip.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
