Dear Keith:

Mindful of your comments at the ACNP meeting in New Orleans, I am writing to ask for a list of citations (and copies of the reprints if available) describing your studies of psychoactive drug effects in simians.

The meeting was a good one, and you are to be congratulated in successfully weathering the stormy voyage as an officer of ACNP.

My thanks and best wishes for a healthy 1977.

Sincerely,

Max Fink, M.D.
Professor of Psychiatry
