

February 5, 1964

H. Peter Laqueur, M.D.
Coordinator, Group Without Name
Creedmoor State Hospital
Queens Village 27, New York

Dear Doctor Laqueur:

It is unlikely that I will be able to participate in the symposium at the end of March. I will, however, try to attend the meeting and would be grateful for copies of the program if they are made up.

Good luck.

Sincerely yours,

Max Fink, M.D.
Director
