MEMORANDUM

To: Arik Brissenden, M.D.
From: Max Fink, M.D.
Subject: Additional Funds (FY-74, 4th Qtr.),
LAAM vs. Methadone Cooperative Study

Additional funds in the amount of \$6,340 have been made available for the testing of brain changes of patients receiving levomethadyl and methadone.

We have requested an EEG machine from General Hospital Equipment, and these additional funds should be used for the following items:

1	Hewlett-Packard tape recorder, FM, 4-channel, Model 3960a, plus rack mount.....	\$4585.00
1	Oscillator, Hewlett-Packard, low frequency range, Model 202CR.....	375.00
1	Oscilloscope, Hewlett-Packard, dual beam, Model 140B plus time base Model 1405A.....	<u>1250.00</u>
		\$6010.00

In addition, we will require the balance of the funds to be used to purchase some small pieces, such as a tape degausser, couch, table, etc., which may be required in order to establish a fully functional laboratory. A request for these items will follow, pending the purchase and receipt of the principal items.
