Dear Miss Gorlan:

Thank you very much for your letter. I am very much interested in appointing an additional EEG technician. I know of Dr. Torres' work and would be pleased to consider your application.

Enclosed is a formal application blank from the New York Medical College, and if you will send it to me, I will have it reviewed by the personnel staff.

Would you please indicate in the application your permission to call one or two references.

Sincerely yours,

Max Fink, M.D.
