Dear Professor Pradhan:

The program for the symposium on "Anticholinergic Hallucinogens" for the CINP Congress was completed a few weeks ago. My co-sponsor, Dr. Bradley has been away and I have yet to receive a communication from him regarding the possibility of altering the program.

Nevertheless, I would be interested in receiving an abstract and perhaps a preliminary draft of this report, as well as any other information related to your study program which may be helpful.

Thank you very much for your interest.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
