Dear Miss Karliner:

I have discussed your request for summer employment with different members of the staff and can give you a mixed answer. Your request for a clinical assignment may be fulfilled, but I cannot do so with assurance now. If you are willing to accept either a clinical or a academic (non-clinical) assignment, I am prepared to recommend your appointment during the summer period, effective July 1. The salary will be the established college salary which is approximately \$60 a week.

If this is satisfactory, call me when you are next in New York and I will make the necessary arrangements.

Thank you for thinking of us.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
