Dear Al,

I have reviewed the records of the APPA and the following suggestions for 1973-74 come to mind:

President Elect: Ch. Shagass
Vice-President : A. Friedhoff
Secretary : J.O. Cole
Treasurer : D.F. Klein

Councillors : Gerald Klerman, M.D.
Henry Brill, M.D.

Both Friedhoff and Klerman have served the Association well. Should you wish to consider others who have served the Association, both Ron Fieve and Sy Fisher should be considered. As an alternate, Klerman could be asked to serve as treasurer for 1-2 years, and Klein could be considered for Councillor.

There is one other maneuver: increase the number of councillors by re-nominating Fisher and adding Fieve.

I hope these comments are helpful.

Sincerely,

Max Fink, M.D.
