Dr. D. P. Hennessey  
Consultant Psychiatrist  
Lockerbie House  
Rainhill Hospital  
Nr. St. Helens  
Lancashire, England

Dear Dr. Hennessey:

Dr. J. C. Holden of Lancashire has indicated an interest in an appointment as research psychiatrist at the Missouri Institute of Psychiatry. This clinical research and training center has as its principal focus studies in the severe mentally ill, and combines both clinical and laboratory programs. Laboratories in pharmacology, electroencephalography, clinical psychology and computer sciences are now operational.

I would be grateful for your opinion regarding the research abilities of Dr. Holden, as well as your estimate of his ability to participate in collaborative research.

Many thanks for your cooperation.

Sincerely yours,

Max Fink, M. D.  
Director
