Dr. Jean M. Swain, M.D.
Department of Mental Hygiene
Agnews State Hospital
San Jose, California 95114

Dear Dr. Swain:

I am not sure exactly which pre-print Dr. Yaeger has, but I am taking the liberty of enclosing a few that have recently been produced from this laboratory as well as the summary statement which appears in an article published in 1964.

Thank you for your interest.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
