Dear Dr. Grinker:

My associates and I are pleased to submit the enclosed report "Thioridazine and Chlordiazepoxide, Alone and Combined, in the Treatment of Schizophrenic Patients" for your consideration for publication in the *A.M.A. Archives of General Psychiatry*. This report is the first part of three describing the clinical, EEG and then relation of EEG and clinical effects in a carefully controlled study.

Thank you, in advance, for your consideration.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
