Dear Harold:

Enclosed are the contracts signed by Dr. Itil and his identification for your records. I am grateful that you have accepted his collaboration for I believe we can do a better job together.

Incidentally, would you have your secretary correct the designation for my appointments to read:

Professor of Psychiatry, Department of Psychiatry
at Missouri Institute of Psychiatry, University of
Missouri School of Medicine; and Research Professor
of Psychiatry, Washington University School of
Medicine, St. Louis, Missouri.

Inadvertantly, the title "Professor of Psychiatry," was repeated once too often.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
