Dr. Shiroe Miura  
Department of Neuropsychiatry  
Tokyo Medical College Hospital  
6-7-1 Nishishinjuku  
Shinjuku-ku, Tokyo, Japan

Dear Dr. Miura:

It was kind of you to apply to work in this laboratory, and it is useful that you have obtained funds independently. As I wrote, however, we are unable to accommodate any additional staff until our new facilities are completed in 1971 or early 1972.

As I will see Dr. Kato in November, I will discuss your plans more fully with him at that time.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
